## Polyphony for Compline

David Allinson online for the Southern Early Music Forum

Thursday 28th October 2021, 7.30pm on Zoom

Compline is the final service of the day in the Christian monastic tradition, said or sung just before the community retires for the night.

With its poetic words invoking sleep and praying for protection, Compline can be a meditative, spiritual experience, whatever one's beliefs.

In this live talk David will look briefly at the origins of the service before examining 16th century polyphonic settings of hymns, responsories and antiphons such as *Te lucis ante terminum* by **Thomas Tallis**, *In manus tuas* by **John Sheppard** and *Salva nos* by **Jean Mouton**.

The music is richly melodic, drawing on plainchant, full of consolation and warmth.

**David Allinson** is an experienced conductor and singer who, during the pandemic, became adept at delivering online talks.

His long experience as a lecturer and workshop leader enables him to communicate accessibly about music, his expertise and enthusiasm laced with humour.

The talk will last around 90 minutes, including a short break and concluding Q&A.

The session will be recorded, so as long as you have booked in advance, you will be able to watch it after the event for up to two weeks.

### **Tips for Zoom:**

1. Zoom will work on PCs, laptops, tablets or smartphones but the larger the screen size the better the experience. *A device with a camera and microphone is best, but if you have a PC with an internet connection but no webcam or microphone, you can still watch the talk and ask questions via text "chat" - see (7) below.*

2. If you haven't already, download the Zoom app. <https://zoom.us/> (for a tablet or smartphone, you can download the Zoom app from the App Store). Make sure you have the most up to date version - there are frequent updates so do check.

3. A day or two before the event, you'll be sent an email with a link to the Zoom meeting. **Contact me at [richard.j.whitehouse@btopenworld.com](mailto:richard.j.whitehouse@btopenworld.com) or 07748 647279 if you have not received the link by the day of the event!**

Click on the link in that email to join the meeting, and if required, enter the ID and passcode information for the meeting. Make sure it's your name which is going to be displayed, not something like 'iPad5'! You can't join the meeting until the meeting Host has opened it and has let you in from the "waiting room".

4. **Microphone and Camera.** Turn on your microphone when prompted. Turn on your camera when prompted (white video camera icon) or if you do not wish to be seen you can turn your camera off.

5. **Gallery/Speaker View:** Once you've joined the meeting choose between *Gallery View* (which shows small screens of all participants - good for seeing your friends and who else is present), or *Speaker View* (best once the presentation starts).

6. **Mute/Unmute** (the small microphone symbol). Your sound will be *muted* by the Host once the presentation begins but you can *unmute* yourself to applaud or if the host invites you to ask a question. Please stay muted during the presentation.

7. **Chat** (the white speech bubble symbol usually at the bottom of the black Zoom screen, or under 3 dots on iPads). This allows you to type a question or comment to *Everyone* or just to one participant if you select them by name. It can also be used to send a relevant message during the presentation or to ask a question. Please don't send general messages to 'Everyone' during the presentation.

8. **Questions** for the presenter will normally be selected by the Host and/or the presenter from messages written into Chat. If time allows, the Host may invite you to unmute yourself to ask your question.
