

SOUTHERN EARLY MUSIC FORUM *INVITATION*

Josquin 500 – linking heaven and earth

An Illustrated talk by **Patrick Craig**

In the 500th anniversary year of Josquin's death

Thursday 17th June 2021 at 8pm on Zoom

2021 is the 500th Anniversary of the death of the founding father of Renaissance Polyphony - Josquin des Prez. Patrick will mark this date (27th August 1521) with a talk focussing on his eighteen Mass settings, which The Tallis Scholars have just completed recording. Patrick has sung many of these Masses, which Peter Phillips has compared to Beethoven's nine symphonies in the way that Josquin approaches the same text in such varied and imaginative ways. We will travel across Europe, tracing his work for some of the greatest employers of the age - from the Vatican to Milan to Ferrara, exploring some of his most dramatic motets as well as the Masses. The art that will accompany his life story will feature that of Leonardo da Vinci, whose lifespan was almost identical to that of Josquin. Join us for an evening of sublime music and painting that will bring us closer to that link between heaven and earth.

HOW TO BOOK

There is a minimum charge of £5 to attend this event; if you are able and would like to contribute more to show your support for Patrick and other musicians, this would be much appreciated. 50% of receipts above Patrick's agreed fee will go to the charity *Help Musicians'* Coronavirus Hardship Fund. The balance (after deducting any expenses) will go to Patrick.

Tips for Zoom:

1. Zoom will work on PCs, laptops, tablets or smartphones but the larger the screen size the better the experience. *A device with a camera and microphone is best, but if you have a PC with an internet connection but no webcam or microphone, you can still watch Patrick's talk and ask questions via text "chat" – see (7) below.*

2. If you haven't already, download the Zoom app. <https://zoom.us/> (for a tablet or smartphone, you can download the Zoom app from the App Store). Make sure you have the most up to date version.

3. A day or two before the event, you'll be sent an email with a link to the Zoom meeting. **Contact me at richard.j.whitehouse@btopenworld.com or 07748 647279 if you have not received the link by the day of the event!**

Click on the link in this email to join the meeting, and if required, enter the ID and passcode information for the meeting. Make sure it's your name which is going to be displayed, not something like 'iPad5'! You can't join the meeting until the meeting host has opened it and has let you in from the "waiting room".

4. **Microphone and Camera:** Turn on your microphone when prompted. Turn on your camera when prompted (white video camera icon) or if you do not wish to be seen you can turn your camera off.

5. **Gallery/Speaker View:** Once you've joined the meeting, choose between **Gallery View** (which shows small screens of all participants – good for seeing your friends and who else is present), or **Speaker View** (best once the presentation starts).

6. **Mute/Unmute** (the small microphone symbol). Your sound will be *muted* by the host once the presentation begins but you can *unmute* yourself to applaud or if the host invites you to ask a question. Please stay muted during the presentation.

7. **Chat** (the white speech bubble symbol usually at the bottom of the black Zoom screen, or under 3 dots on iPads). This allows you to type a comment to **Everyone** or just to one participant if you select them by name. It can also be used to send a relevant message during the presentation or to ask a question. Please don't send general messages to 'Everyone' during the presentation.

8. **Questions** for the presenter will normally be selected by the host and/or the presenter from messages written into Chat. If time allows, the host may invite you to unmute yourself to ask your question.
