CONSORT DAY IN CANTERBURY

Saturday 27 November 2010

10.30 – 5.30

For players of renaissance and baroque wind or stringed instruments (at A=440), and keyboard (if you can bring your own). Players of modern instruments (e.g. flutes, oboes, violins) are very welcome, but we do not provide parts for transposing instruments.

We hope to offer opportunities for players and singers of varied levels of experience, but both players and singers should have a reasonable sight-reading ability.

The day will be organised in a series of small groups, each led by an experienced member of the Forum, with a larger-scale work for the final session.

Further information and application form:

- on the Events page on the SEMF web site
- or from Ursula Fuller (01227 760283)
- or David Shaw (01227 769843).
